

## **The Mathematics Olympiad 2016 Notification**

Assam Academy of Mathematics (AAM) will organize its state level mathematical talent search competition, popularly known as Mathematics Olympiad (MO) in 44 centres of the state on September 4, 2016 (sunday) from 11.00 am to 2.00 pm. The competition will be held from the current year onwards for three categories of students only, viz. students of classes V-VI (cat.I), VII-VIII (cat.II) and IX-X-XI (cat.III). The present change in the eligibility domain of students for the competition was made in accordance with the national mathematics olympiad programmes.

The prescribed application form for the competition containing the list of centres of competition and the names and addresses of the respective centre coordinators has been uploaded in the website of Assam Academy of Mathematics. The intending competitors may download the application forms from the website or can personally collect them from the coordinators of their choice. The completely filled in forms must reach the coordinators on or before August 25, 2016 along with examination fees of Rs.100 (Rupees one hundred) only per candidate. Few copies of general reading and problems and solutions of earlier years are sent for distribution among interested candidates for sale so that they can have some idea about the competition. A number of toppers in cat.II and cat.III will be eligible for certain memorial awards and certificates. Certificates of merit and appreciation will be awarded to other candidates also subject to their attaining minimum standard of marks.

Dr. Prabin Das, chairman

AAM Talent Search Committee.
