## ABOUT JAIPUR

Jaipur, also popularly known as the Pink City (*other names Paris of East, Chhoti Kashi*), is one of the finest planned cities of India, and is the capital and largest city of the Indian State of Rajasthan. It was founded on 18th November, 1727 by Maharaja Sawai Jai Singh II, the ruler of Amber, after whom the city has been so named. The city has a population of more than 67 lacs and is spread over more than 600 sq.km. The very structure of Jaipur resembles the taste of the Rajputs and the Royal families. At present, Jaipur is a major business centre with all requisites of a metropolitan city. The City Palace area encloses a sprawling palace complex (Hawa Mahal). Nahargarh Fort, which was the residence of the King Sawai Jai Singh II, crowns the hill in the northwest corner of the old city. The observatory, Jantar Mantar, is one of the World Heritage Sites. Jaipur is a popular tourist destination in Rajasthan and India.

## ABOUT JKLU

JK Lakshmipat University has been established as a private university under the Rajasthan Private Universities Act by "Lakshmipat Singhanian Foundation for Higher Learning" with the explicit purpose of providing quality, globally relevant and future-ready education, research, training and consultancy. The University's on-campus Management Development Centre (MDC) has state-of-the-art infrastructure and facilities driven by new-age knowledge delivery systems. The University is proud to have the best of the faculty with an optimal blend of industry professionals and academia. JK Lakshmipat University (JKLU) offers students an open, green and high-tech learning environment, combining the serene settings of the Gurukuls of yesteryears with the technological advancements of the new age. With its two constituent institutes, namely Institute of Management and Institute of Engineering and Technology, the University offers a wide spectrum of programmes in the professional disciplines of Management and Engineering & Technology. Jaipur is a heritage city and perhaps the most colourful tourist destination in India, well-connected by air, rail and roads to all the major cities. With a 30-acre lush green, world-class training centre, round-the-clock library and computing facilities, slightly off from the crowded city, JKLU offers the best of both the worlds - the energy of one of India's favourite tourist destinations, and the blissful backdrop of serene environs.
