REPUBLIC INDIA'S – INDIAN FAMILIES A ROLE MODEL FAMILY OF THE NATION EVENT

**ROLE

FAMILY
OF THE NATION**

**First Round on 14th November 2015
(Pandit Jawharlal Nehru's Birthdate)**

Republic India's – Indian Families A Role Model Family Of The Nation

Why A Role model Event?

The strength of India's families, we felt it will be apt to have a Contest called a '**ROLE MODEL FAMILY OF THE NATION**'. to install the Importance of family & its Values among the Young Student Community.

Every field has a Role Model starting from Sports, Politics, Science, Medicine, Arts & Culture. Even we have Role Model Buildings & Cars.

But all these have no place without we human beings. The Society is based on the Common Man, but that Common Man who led a disciplined life few decades back is almost Lost & Found nowhere. The Reason is in today's Modern India parents lack one thing very badly - the Art of Child Up-bringing.

In the Past, while we grew parents were the Role Model. But today's commercial parents don't have time to devote to their Children, that is why, In Today's India we have courses by Name "PARENTING" towards Up-bringing the Children, which in the past was a regular routine, No parenting courses were prevailing then.

The Steps to be followed in Up-bringing the child going to be the Main Theme of this Event.

This Event of ours will go a long way in installing the Power of Family life & Value among our children for Better INDIA.

This **ROLE MODEL FAMILY OF THE NATION** contest can pave way for a disciplined INDIA which in turn will make our country the best place to live on this earth.

ROLE MODEL FAMILY OF THE NATION event can become Bench Mark for the Entire Nation to follow in the future which can realize Dr.A.P.J. ABDUL KALAM Dream of INDIA 2020.

Let us together create & identify an **ROLE MODEL FAMILY FOR THE NATION** through this Event for the Future Generation to follow.
