ABOUT TECHNOTICA

“Technotica” is a state level software project contest for BCA and B.Sc. Computer Science and IT final year students to bring their innovative ideas to reality. The main aim is to equip the students with entrepreneurial skill sets which can lead to a socially relevant sustainable software product.

The idea may be carried out as a part of their final year project. Based on the review of experts from the industry and academia, projects will be selected. The selected projects will be provided with one week free training in the required platform in Startups Valley. The participants can avail this facility for completion of their project for a period of 3 months.

Schedule

- November 1 - December 15, 2015: Invitation of Ideas
- December 31, 2015 : First round presentation of selected ideas
- January 10, 2016 : Announcement of the result of the first round
- March 15, 2016 : Final project submission and review

Cash Prizes

- *First Prize - Rs.15000 & Online Gift vouchers worth 5000*
- *Second Prize - Rs.10000 & Online Gift vouchers worth 5000*
- *Third Prize - Rs.7500 & Online Gift vouchers worth 5000*
- *Online Gift vouchers worth 5000 for Top 20 groups*
