

Inter School Olympics

Primary School (Grades 1 - 3)

Dear Students,

We are hosting an inter school competition for all students where you can participate to prove yourself and win many exciting prizes. This is organized by GenNxt Eduserve - a prestigious, professionally managed, progressive organization founded by senior professors from Jawaharlal Nehru University. This is a scholastic competition which has **a combined MCQ test in six subjects - Math, Science, English, Computer, GK and General Aptitude**. It is for 1 hour and winners from all schools go to the Finals where there are activities and games to assess your personality. The participation fees for this competition is Rs 250 which includes the cost of the books. The prizes include laptops, tablets, medals, trophies and many other surprise gifts.

To participate, please contact your class teacher & deposit the fees of Rs 250.
